Dear Parents:

There is some information that I feel is important to share with you as we work together to maintain a secure campus and safe community for our students.

This afternoon a North Ranch student was walking home down Kings Avenue when a man in a tan SUV stopped by the roadside and asked a girl if she needed a ride home. The man was between the ages of 25 – 30 years old, long brown hair with a “funny looking” mustache, and sunglasses. The girl told him to “back off” and he sped away.

This information was shared with the Phoenix Police Department and neighboring schools.

Sincerely,
Sarah S. Hartley, Ed.D.
Principal
